Hesse; and in the next year (indicated in the posterity-between eleven and twelve hun- ago, there flourished in Glasgow a club of has been reprinted .- Mrs. Crone. story as that of the prince's return) a loan of dred million florins (£110,000,000 to £120, young men, which, from the extreme profliten millions was contracted with the Danish | 000,000) were raised for the sov'g's of Europe | gacy of its members and the licentiousness of court through the house of Rothschild. Bethrough the agency of this house, partly as their orgies, was commonly called the Hell loans, and partly as subsidies. Of these, Club. Besides their nightly or weekly meetknowledge, and the tried rectitude of his 500,000,000 florins were for England; 120,- ings, they held one grand annual saturnalia, Herald" and other periodicals, to the effect conduct, had gained him great confidence; 000,000 for Austria; 100,000,000 for Prus- in which each tried to excel the other in that this most painful complaint had entirely his wealth had increased, and an enormous sin; 200,000,000 for France; 120,000,000 drunkenness and blasphemy; and on these ceased on a single application of the extract extension of the field of his operations had taken place. The fact appears to be, that by this time the banker of Frankfort was 30,000,000 for Brazil. And this, it is added, that of young Mr. Archibald B., who, endow- says, that "from its pungent nature, is more in the habit of rendering assistance is exclusive "of those sums for the allied ed with brilliant talents and a handsome perthan of requiring it; and the grand duke of courts, of several hundred millions each, son, had held out great promise in his boy-vomitings and other painful effects." It re-

the total amount of which far exceeded the ual festival, Mr. Archibald B. having retired been felt by dogs afflicted with the mange,

now intersecting the length and breadth of whither they were going. "Where am 1? the land. Where are you taking me?" he exclaimed.

"To hell!" replied the stranger; and immediately interminable echoes repeated the fearful sound, "To hell! to hell!"

At length a light appeared, which soon increased to a blaze; but, instead of the cries, and groans, and lamentings, the terrified traveller expected, nothing met his ear but sounds of music, mirth, and joility; and he found himself at the entrance of a suberb building, far exceeding any he had seen constructed by human hands. Within, too, what a scene! No amusement, employment, or pursuit of man on earth, but was here being carried on with a vehemence that excited his unutterable amazement. "There the phemy! The gambler plied forever his endless game, and the slaves of Mammon toiled

wards in the world; in after years, his anti-quarian researches proved the means of ex-tending and ramifying his connections in so-ciety, as well as opening out to him a source of immediate support. His parents, however, who were noted as pious and upright char-
